

Griffiths-Scott School

School Message: Administrative Changes for 2025 - 2026 School Year

Griffin Families,

I am happy to welcome our new Principal for next year, Tanya McFarland.

Tanya began her career with WRPS at WCHS as a teacher and inclusion coach. She then moved into administration as Vice Principal at Norwood and most recently served as Principal of Pipestone School. Tanya is a strong and compassionate leader who fosters a positive and supportive school environment. She consistently prioritizes student engagement,

learning, and well-being. Her commitment to education is evident in her advocacy for differentiated instruction and her ability to support diverse learning styles. Tanya's leadership continues to make a meaningful impact across the school community.

We will be saying congratulations and farewell to Patrick Granger who will be taking on the role of Vice Principal of Buck Mountain Central School next year, we are going to really miss the dedication and support for school community that Patrick has brought to the Griffin community. Congratulations to Patrick and to the BMC community!

We will also be saying congratulations and farewell to Michelle Micklich who will be taking on the role of Vice Principal at Wetaskiwin Composite High School next year. Michelle has been a fantastic leader in our school community and will be a great support for Griffin students when they head into their Grade 9-12 years at the high school, congratulations to Michelle!

With the exit of Michelle, we are happy to welcome our new Vice Principal for next year, Michael Currie.

Vice Principal of Griffiths-Scott School - Michael Currie

Michael brings over two decades of experience in education, including 14 years of teaching and 9 years in school administration. Michael has his Masters of Educational Studies, LQS

and E.Ed. He has served as Vice Principal and Principal at MESC, Vice Principal at Parkdale

School, and most recently as Acting Principal at Falun School. Michael is a relational and experienced leader who prioritizes student success, inclusive practices, and collaborative school communities. He is known for his daily presence in classrooms, his willingness to support staff through teaching and mentorship, and his thoughtful, steady leadership. His strengths in school operations, instructional leadership, and conflict resolution have made a lasting impact in every school he has served. We are excited to welcome Michael to Griffiths-Scott School, where his commitment to student learning and strong school culture will

continue to enrich the lives of students, staff, and families.

Thank you,

Griffiths-Scott School
