

MEET THE TEACHER!

A LITTLE BIT ABOUT ME:

Hi, families! My name is Mrs. Sue Quinton, and I will be your child's teacher this year. I am new to Griffiths-Scott School, and I am really looking forward to getting to know everyone! I have taught for over 20 years in every grade from K-8 and finished my Master's degree in Educational Leadership in the summer of 2025. When I'm not at school, I enjoy crocheting, being outside, and hanging out with my bird and family.
